Modern & Digital Prosthodontics International Congress

Baku
Marriott Hotel
Boulevard

November
27–28
2026

Information about the organizers

Azerbaijan Society of Prosthodontists established in 2024, is a professional organization dedicated to advancing the field of prosthodontics in Azerbaijan.

The Society focuses on:

- Establishing high professional standards
- Promoting modern clinical approaches
- Supporting scientific knowledge exchange
- Strengthening collaboration among dental professionals

Regular activities include:

Study clubs, seminars,
and congress

Overview of the **Congress**

The international scientific conference, jointly organized by the Azerbaijan Society of Prosthodontist and the Turkish Prosthodontics and Implantology Association (TPID), will showcase the latest scientific advancements, innovative approaches, and contemporary clinical protocols in prosthodontics, implantology, and digital dentistry.

The event will bring together:

- ✦ Leading international experts
- ✦ Academic researchers
- ✦ Practicing dentists
- ✦ Dental technicians
- ✦ Industry representatives and manufacturers

A unique environment for knowledge exchange, innovation, and collaboration

Congress aim

The aim of the congress is to create a high-level international professional platform for:

Integration of digital dentistry into practice

Exchange of advanced knowledge and clinical experience

Presentation of innovative technologies and digital solutions

Enhancing treatment quality based on aesthetic, functional, and biological principles

Congress value

Enhances the global positioning of Azerbaijan in the dental community

Encourages knowledge sharing and innovation

Supports continuous education and skill development

Strengthens international professional dialogue

Scientific focus

The scientific program will cover key areas, including:

Digital dentistry and its clinical integration

Aesthetic and functional rehabilitation

Dental material science

Modern diagnostics and treatment planning

Predictability and longevity of restorations

Biomechanical principles in prosthodontics

Program format

The congress will include:

Expert
lectures

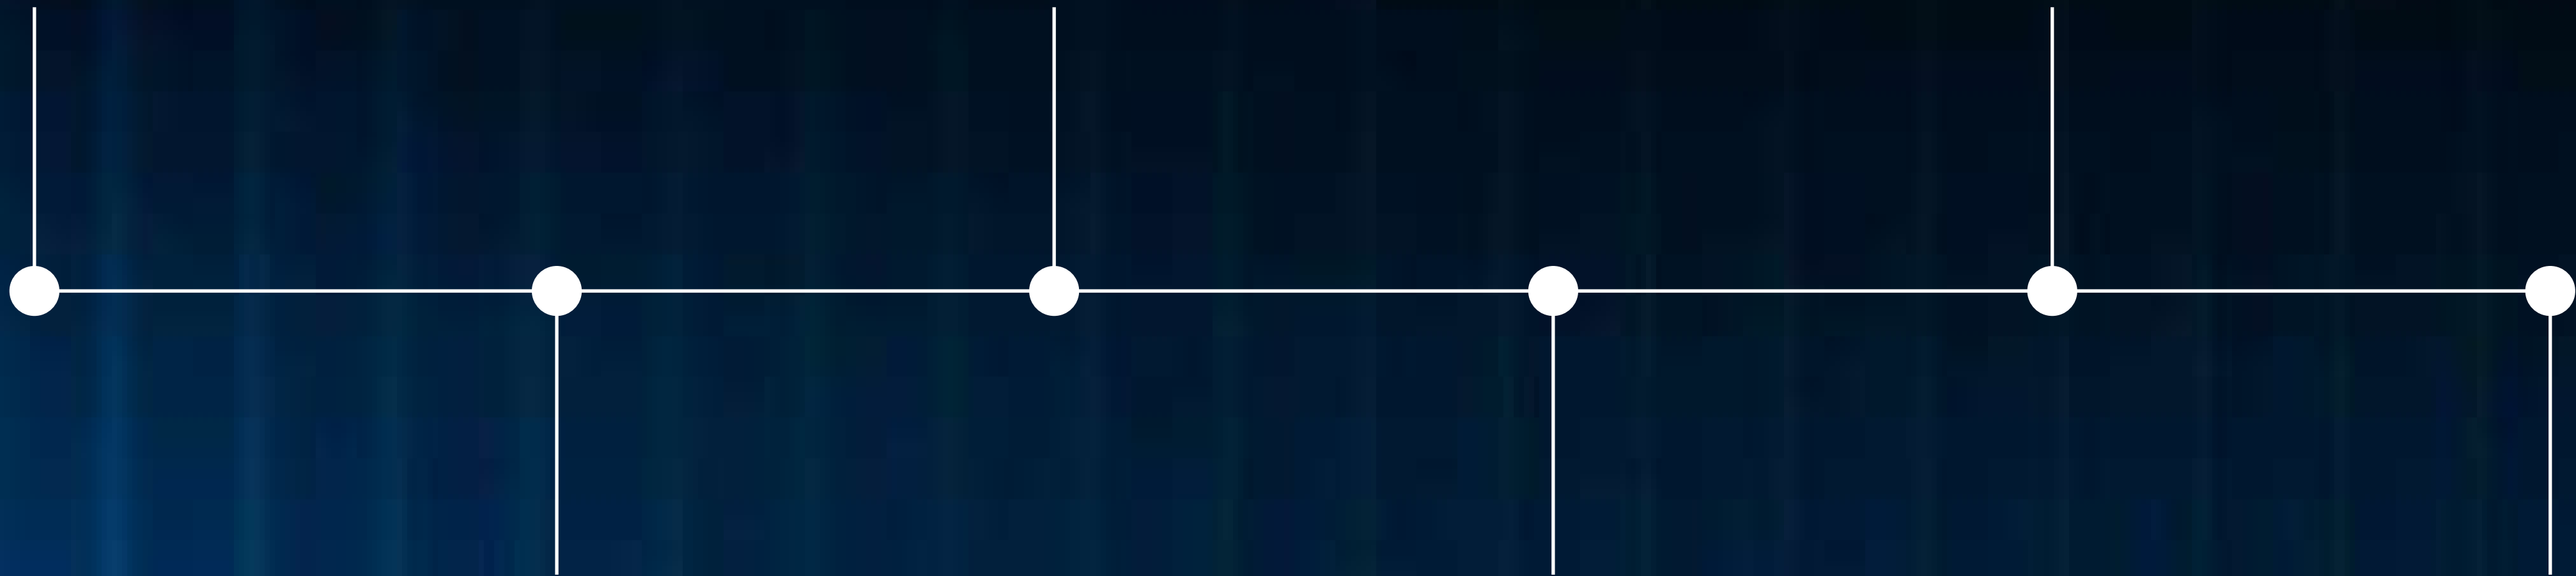

A balance of theory,
practice, and interaction

Clinical case
presentations

Industry exhibition
area

Hands-on workshops /
masterclasses

Panel
discussions

SPEAKERS AND THEIR TITLES

Prof. Dr.
Yasemin Ozkan

**Modern Esthetic
Materials Used in
the Esthetic Zone**

PhD. Dr.
Elchin Abbasov

**Art of Smile: Aesthetic
Parameters and Clinical
Limitations**

Prof. Dr.
Andrea Agnini

**The Esthetic Zone Protocol:
Managing Biology,
Prosthetics and Timing**

Prof. Dr.
Roberto Sorrentino

**Worn-Out Smiles:
From Diagnosis
to Rehabilitation**

Prof. Dr.
Pinar Kursoglu

**CLINICAL MANAGEMENT
OF BRUXISM Occlusal
Splint and Botox Applications**

Assoc. Prof. Dr.
Rufet Huseynli

**Decision-Making
Philosophy:
Risks and Benefits**

Prof. Dr.
Emir Yuzbashioğlu

**Posterior Indirect Restorations
Fabricated with 3D Printing:
Clinical Protocols and Practical Tips**

SPEAKERS AND THEIR TITLES

Assoc. Prof. Dr.
Asif Arkhmmammadov

**From Diagnosis to
Clinical Decision-
Making: A Case-
Based Approach**

Assoc. Prof. Dr.
Yilmaz Umut Aslan

**All on X – Clinical tips for
immediate fixed prostheses
in complete edentulism**

PhD. Dr.
Florian Obadan

**Immediate Implant
Loading: Technical
Approaches Refined
Through 15+ Years
of Experience**

Cdt.
Vasile Bacila

**Immediate Implant
Loading: Technical
Approaches Refined
Through 15+ Years
of Experience**

Dr.
Artur Podjigant

**Implant-Supported
Biofunctional Rehabilitation
in Patients with
Partial Edentulism**

Dr.
Konstantin Verzilov

**The Quintessence
of Tooth-Preserving
Protocols**

Dr.
Anar Kerim

**Functional Balance
in Esthetic Dentistry**

Category	Early Registration (until 30.09.2026)	Standard Registration (01.10.2026 – 25.11.2026)	Late Registration (26.11.2026 – 27.11.2026)
Association members	270 USD	300 USD	353 USD
Non-members	300 USD	330 USD	353 USD
Students	270 USD	295 USD	324 USD
Dental technician	295 USD	324 USD	353 USD

Installment Option:

During the early registration period, participants may pay the registration fee in 2 installments, provided that the payment is completed within the early registration deadline.

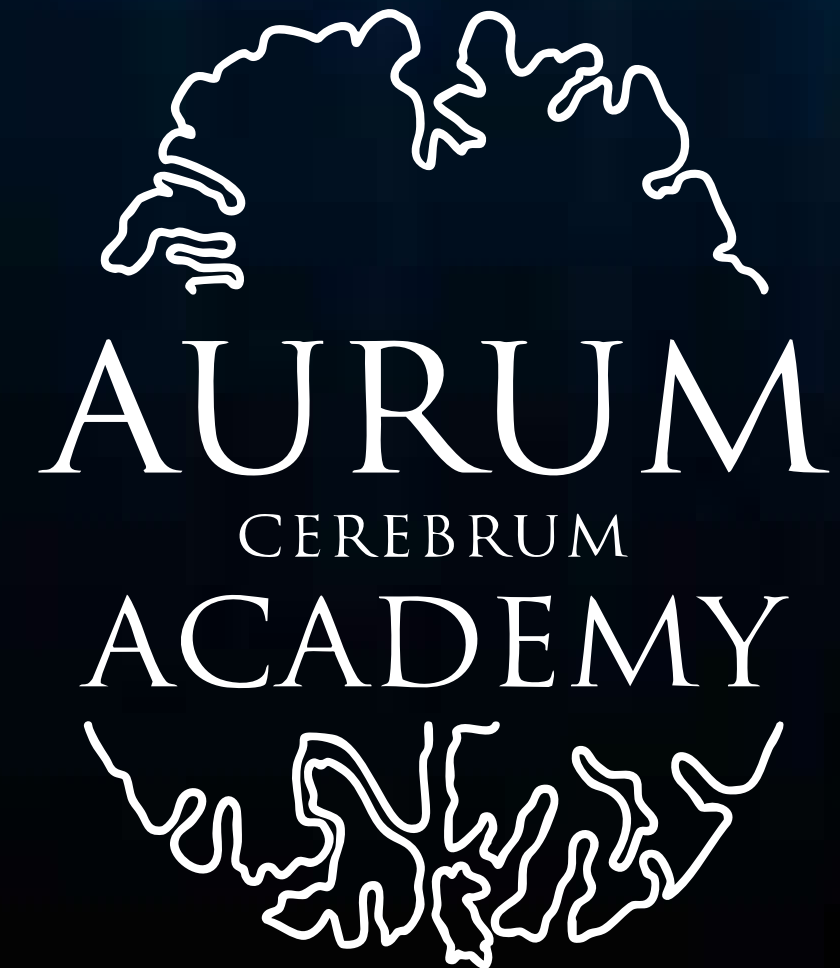

Important Note:

ORGANIZATIONAL SUPPORT

AZEN A
CREATIVE AGENCY

AZENA CREATIVE AGENCY

Azena Creative Agency has been specializing in the organization and management of medical conferences, congresses, workshops, and professional healthcare events for nearly three years. The agency collaborates with all major dental professional associations and societies in Azerbaijan, providing end-to-end event management, including planning, branding, registration, speaker coordination, sponsorship support, logistics, and on-site operations.

Among the events successfully organized by Azena are Perio Master Clinic (PMC) 2026, held in Baku on March 6–7, and the 11th International Caspian Conference of Implantologists. Through these projects, Azena continues to contribute to the development of the medical community by creating high-quality educational and scientific platforms.

AURUM ACADEMY

Aurum is a modern dental academy that brings together leading industry experts and dentists committed to continuous professional development. The academy specializes in organizing educational events in a variety of formats, ranging from intimate discussion clubs and hands-on masterclasses to large-scale congresses, conferences, and professional forums.

Since 2013, Aurum has become one of the most recognized educational platforms for dental professionals. Over the years, thousands of dentists from across Russia have completed training at the academy, and today many dental professionals have at least one Aurum certificate among their professional achievements.

At its state-of-the-art training center, Aurum hosts weekly masterclasses and practical courses covering the key disciplines of modern dentistry. Participants gain not only up-to-date theoretical knowledge but also practical skills that can be immediately applied in everyday clinical practice.

Training at Aurum offers a unique opportunity to learn from internationally recognized experts, exchange experience with colleagues, and stay up to date with the latest technologies, treatment methods, and innovations in dentistry.
